7061-0011

For a reserve to (1) meet extraordinary increases in the minimum required local contribution of a municipality as calculated pursuant to the requirements of section 3 of this act; provided, that a municipality seeking funds hereunder shall apply for a waiver from the department of revenue pursuant to the provisions of section 32 of this act; provided, further, that the commissioner shall issue a finding concerning such waiver applications within 30 days of the receipt thereof, after consulting with the commissioner of education regarding the merits of such application; (2) meet extraordinary increases of greater than 20 percent in a municipality's required contribution to any of the districts to which the municipality belongs as a result of the new regional allocation methodology; provided further, that said funds may be used by the municipality to reduce its contribution to said district solely for fiscal year 2006 and said reduction shall not be considered a permanent reduction in required contribution in fiscal year 2007; (3) meet expenses associated with extraordinary increases in enrollment from fiscal year 2002 through fiscal year 2006 calculated on a percentage basis for such municipalities; provided further, that preference shall be given to districts which received no increases in Chapter 70 aid, so-called, notwithstanding said enrollment increases; (4) address the effects of reductions in per pupil chapter 70 aid between fiscal year 2002 and fiscal year 2006; provided, that preference in the awarding of such funds shall be given to districts which receive less than 40 per cent of their foundation budgets as chapter 70 aid, and which received reductions in chapter 70 aid between fiscal year 2003 and fiscal year 2004; (5) assist regional school districts which, prior to fiscal year 2006, have assessed member towns using the provisions of their regional agreement, and which, in fiscal year 2006, will assess member towns using the required contributions calculated pursuant to chapter 70 of the General Laws and section 3 of this act; (6) assist municipalities with median income below the state average and equalized valuation per capita above the state average; provided further, that preference in the awarding of funds shall be given to municipalities with required local contributions greater than 20 per cent of their foundation budgets; (7) assist urban districts with high fixed costs and enrollment declines of greater than 3 per cent in fiscal year 2006 resulting in no increase in Chapter 70 aid; (8) meet extraordinary legal costs in excess of \$100,000 arising from successful appeals of decisions rendered by the Bureau of Special Education Appeals; provided further, that any such awards shall be limited to 50% of eligible costs incurred, and in no instance shall exceed \$250,000; provided further, that notwithstanding the provisions of any general or special law to

the contrary, assistance funded by this item shall only be available on a one time non-recurring basis; provided further, that the department shall make not less than 80 per cent of awards from this item not later than October 15, 2005; and provided further, that no funds distributed from this item to a municipality shall be considered base aid nor used in the calculation of the minimum required local contribution for fiscal year 2007\$2,500,000

And moves to further amend the bill in item 7061-0008 by striking out the figures "\$3,260,512,757" and inserting in place thereof the following figures:— "\$3,288,931,062"

And move to further amend the bill by adding after section 3 the following new section:

SECTION 3B. Notwithstanding section 3 of this act or any general or special law to the contrary, for the fiscal year ending June 30, 2006, there shall be an additional Chapter 70 school aid distribution to cities, towns and regional school districts in the amount of \$28,418,305 to ensure that each municipal and regional school district receives an increase of not less than \$50 per student above the amount of Chapter 70 aid the municipality or school district received in fiscal year 2005 and that this distribution shall be apportioned in accordance with this section.
